## OTHER RESOURCES

Are you or a loved one experiencing homelessness or a housing crisis?

Visit our website to learn how to access local resources:

<https://www.unitedwaydenton.org/homelessness-resources>

# ARE YOU EXPERIENCING HOMELESSNESS?

Are you sleeping in emergency shelter, in public areas, or in another place that is not permanent or safe? Visit a location below to complete a 10-15 minute assessment, called Coordinated Entry. Coordinated Entry helps quickly connect people to available resources and gathers information about the housing needs of people that are not served. Please keep in mind Coordinated Entry does not guarantee housing assistance or mean new resources are available. This is not a housing waitlist, rather an initial assessment to identify the best housing option for you.

## WHERE TO GO

Denton County  
MHMR Center

**Denton County MHMR**  
2519 Scripture St. Denton, TX 76201  
Monday – Friday 8:00 AM – 5:00 PM

### **Home Improvement Program, Homebuyers Assistance Program and Minor Repair Program**

**Eligibility:** Low to moderate income homeowners

**Fees:** No fee to apply - Loan is part payable, part deferred

**Application Process:** Please call for an appointment and general information or go to website to apply

**Area of Service:** Within the City Limits of Denton

**Program:** *The Home Improvement Program provides assistance to homeowners with major repairs, through repair or reconstruction. The program is intended to assist low to moderate-income owners who cannot afford to complete the repairs themselves. Assistance is available in two types of loans: a combination low interest payable loan/deferred (forgivable) loan and a deferred loan. Deferred (forgivable) loan*

will be provided to seniors, age 62 and above, who are at the income level below 50% of HUD median income. Loans are available over 5 to 20 years. (HAP) Homebuyers Assistance Program helps low to moderate income homebuyers with down payment and closing costs to buy their first home. (MRP) The Minor Repair Program assists with urgent home repairs costing \$10,000 or less.

#### **Homebuyers Assistance Program**

8:00AM - 5:00PM Monday - Friday

**Eligibility:** Low to moderate income homebuyers

#### **Communities In Schools of North Texas**

7:30AM-6:30PM Monday-Friday

**Eligibility:** Provides in-school case management services to Denton and Wise County students who are considered to be at-risk of dropping out of school.

**Fees:** none

**Application Process:** Children are referred to the program by teachers, school administrators, parents or themselves. Students must attend a school where a CISNT program exists and qualify based on need in order to be enrolled in the program.

**Area of Service:** Bridgeport ISD, Denton ISD, Lake Dallas ISD, Lewisville ISD, Little Elm ISD, Northwest ISD

**Program:** The primary provider of research-based, holistic dropout prevention services. These services include academic tutoring, counseling, one-on-one mentoring, parental and family engagement, and individualized case management services for students at-risk in grades k-12 living in North Texas. Currently CISNT operates two program service models:

daytime, case management, and ACE programs(Afterschool Centers on Education).

### **Droput Prevention Case Management Campus Programs**

**Program:** serve students each year in grades K-12 who are referred by their teacher, counselor, or principal as at-risk of dropping out of school. CIS Site Coordinators develop a case management plan to help students' at-risk get back on track towards academic success, graduation, and success in college and career. CISNT case management programs utilize a research-based, six-component service modes which includes: supportive guidance and counseling; health and human services; parental and family engagement; college and career readiness career awareness; enrichment; and academic support.

### **CIS Afterschool Centers on Education (ACE) programs**

**Program:** provide and additional 15-19 hours of academic enrichment each week after school and in the summer. These programs work to improve academics, attendance, and behavior as well as increase promotion to the next grade level and improve graduation rates. CIS ACE programs provide homework completion and tutoring, enrichment groups, mentoring and team building, family and parental support activities, and college and workforce readiness activities that allow students to explore vocational and college opportunities.

**Fees:** Sliding scale

**Application Process:** Enrollment process and packet required

**Area of Service:** Denton County

**Program:**

*Denton City County Day School (DCCDS) is dedicated to giving your child the best start in life by laying the foundation for a lifetime of learning. Our mission is to provide quality pre-kindergarten education to children ages two through five in Denton County. Our vision is that all of our children will enter kindergarten with the necessary social and academic skills to be successful in every way.*

*Denton City County Day School (DCCDS) is a nonprofit preschool serving a multicultural community since 1952. Our school recognizes the uniqueness of each child and provides positive encouragement for the child's continued growth. The fundamental reason for developmentally appropriate, child-centered, experiential learning is to enable our children to think critically, work cooperatively, and solve problems creatively. Our curriculum encourages children to develop a healthy and positive self-concept through individualized instruction. Our school environment offers hands-on learning experiences for abstract concept development and opportunities for creative learning. This allows children to make sense of what they are learning and to connect or integrate their knowledge in ways that lead to rich conceptual development.*

**Area of Service:** Denton, Cooke and Wise counties

**Program:** Provides educational services including instructional, related and support based on assessment that indicates educational need. Preschool Educational programming is available in the Special Education Early Childhood Program for students with a hearing impairment who are 3-4 years of age and developmentally ready, by a certified teacher of the deaf. Attendance and level of service is determined by an IEP committee and is based upon educational assessment and need. A continuum of services is available for K-12 students with hearing impairment who need instruction by certified teachers of the deaf and/or interpreter services. Based upon assessment of educational need, the IEP committee may place a student in a self-contained deaf education classroom setting or a fully mainstreamed setting with a sign language interpreter or any combination of these instructional options.

**Area of Service:** Denton and North Texas

counties

**Program:** *PediPlace is your local home for quality pediatric primary health care and health education. From newborns to teenagers, your child's wellness is our top concern. Scheduling a well-child check-up with your favorite Nurse Practitioner or need a same-day appointment for your sick child? Our caring medical experts value every moment we spend with you. We make sure your time with us is informative and respectful of your culture needs. Whether your family receives Medicaid or CHIP benefits, or is uninsured, we make first-rate healthcare a reality for every kid. We also know the challenges families face with balancing work hours and sick time. With convenient locations in Lewisville and Dallas/Richardson, our caring staff will treat your child and provide healthful answers for the entire family, with a more personable approach than you would experience in an emergency room or an unknown urgent care facility. Whether your child is sick or well, we treat each visit as an opportunity to provide you the best family-centered care in a friendly and compassionate environment. If you need pediatric care for your family, PediPlace is your medical home.*

Hippotherapy (physical therapy on horseback) participants must be 2 years of age, requires a physician's prescription and physical therapy assessment.

**Fees:** Therapeutic horsemanship 10 week session: \$375; sliding scale scholarship available.

Hippotherapy sessions are \$160 for initial evaluation, \$100 for each one hour session; sliding scale scholarships available.

**Area of Service:** North Texas area

**Program:** Riding Unlimited is a PATH Int'l Premier Accredited Center and is licensed by the State of Texas as a Physical Therapy provider. All therapeutic riding lessons are taught by PATH Int'l certified instructors who develop and follow lesson plans designed to benefit the individual participants. Trained horse leaders and sidewalkers volunteer their time to ensure the safety of our riders. Riding Unlimited's therapeutic horsemanship riding program is dedicated to enabling North Texas disabled community by enhancing their physical, social, educational and emotional abilities. Building strength, courage and confidence is what the

program is all about. Our name exemplifies the ultimate goal for any rider - encouragement to pursue their own unique ability. Program goals: Therapeutic Riding is based on individual needs. Goals may include improvement in muscle tone, range of motion, rhythm, muscle strength, balance, and coordination. Riding instruction goals may include improvement in attention span, spatial relations, sensory awareness, sequential performance and reasoning skills. Horsemanship skills that may be developed include cantering, posting, and stable management. Riders may participate in demonstrations, The Chisholm Challenge horse show for equestrians with disabilities, and Special Olympics Equestrian.

**Hippotherapy** which is physical therapy on horseback requires a physician **prescription** and is followed by an assessment with a Physical Therapist in order to begin the treatment sessions. Therapists are PATH Int'l Certified instructors and hold a physical therapy license with the State of Texas. Hippotherapy uses the movement of the horses as a treatment strategy to address functional limitations. This treatment strategy is used as part of an integrated treatment program to achieve functional goals.
